DOW'S PORT

FINE TAWNY

DOW'S

Dow's is owned and managed by the fourth generation of the Symington family, Port producers since the 19th Century. The family, whose experience dates back over 100 years, supervises all the vineyards, winemaking and ageing of this wine.

Dow's owns two of the Douro's finest Quintas, Senhora da Ribeira and Bomfim. They were acquired in 1890 and 1896, making Dow's one of the first houses to invest in premium vineyards.

THE WINE

Dow's Fine Tawny is a three-year-old blend aged in small oak casks at our lodges in Vila Nova de Gaia. The barrel ageing produces a smoother and lighter style of wine than the Dow's Ruby which is aged primarily in large oak vats and tonels. Dow's Tawny combines subtle fruit with delicious velvety nutty flavors derived from the cask ageing. It is ready to drink and enjoy when bottled and does not require further ageing.
